

Dear parents, teachers and students,

It's time again to start planning your project for the 2021 Student History Fair, brought to you by the Texas Heroes Foundation. This year's theme is "*Communication in Texas History Prior to 1900.*" There are five categories to choose from; Exhibit, Research paper, Creative Writing paper, Performance and Artwork and it is open to grades 3-12 this year. Deadlines for the projects begin on February 5, 2021, see the rules for more information at www.texasheroesfoundation.org. The Awards Ceremony is on Friday, February 26, 2021. Each year we give out around \$5,000 in awards and scholarships.

This year the winner could be **you!**

Good Luck!
